I am the above named person from the address shown overleaf.

On Sunday 25th May 2008 at about 6.15pm I was driving down China Street from the direction of Smithfield Street towards the Market Hall. As I drove along China Street I saw two men on the floor of the pavement outside a house near to the music shop, Mouse Music, there was a ginger haired woman standing next to them trying to pull them apart. These two males appeared to be scuffling on the floor. I slowed the car down as I drove parallel to them and as my window was open, shouted to the female "DO YOU WANT ME TO CALL THE POLICE", to which she replied "YES PLEASE". As I said this I saw that the taller man was lying face down on the pavement and shorter man appeared to be sitting on or leaning over the taller man's back, the shorter man also had his hand on the taller man's head, which was against the pavement. I only saw this for a few seconds through the gap in two parked cars, which were parked alongside the men. I then pulled my car over to the left hand side of the street, opposite to where the men were scuffling, I then realised that I did not have my phone with me. As I was parked on yellow lines I decided to park my car properly, so drove around the corner into Shortbridge Street. I then got out of my car and returned to China Street where I could see that the men were still outside. I approached towards where they were still on the pavement near to Mouse Music, and could see that the taller and older man was still lying on the floor and the female was trying to hold the other shorter younger man back. The shorter younger man was shouting to the female "YOU'RE THE BIGGEST WHORE IN LLANI" "YOU'RE A SLAG" "YOU WERE SHAGGING HIM FOR MONTHS BEHIND MY BACK" as he said this he sounded very agitated and aggressive. The taller man began to get up slowly of the floor, as he did this he was holding his head and he seemed a bit unsteady on his feet, once stood up he leaned against a van which was parked just beside him, he was still holding his head throughout this time. The shorter male was still shouting and the female was stood in between
