

Continuation of Statement / Interview

G. ELWIS

Graham replied ' YOU HAVE ONLY BEEN NICE TO ME FOR THE LAST TWO WEEKS BECAUSE YOU HAVE BEEN SCREWING HIM'

He carried on by saying ' JULIE THE SLUT. JULIE THE SLAG'

I could see Julie was really upset at this time and was shaking uncontrollably. She kept on pleading with him to be quiet but he kept on shouting out aggressively. Graham then started going on about political correctness and a load of other stuff that I could not make out. I then went over to the injured male and asked him if the Subaru was his. He stated it was. I then tried to coax him over to his car and away from Graham, as I believed Graham was going to have another go at him. I then asked another girl at the scene, called Lisa, if the Police had been called. She replied they had been called. I then left the scene a short time later. I will assist the Police in their enquiries.
