I reside at the address mentioned overleaf. I have lived at this address for approximately 10 years. I am currently engaged in a relationship with a Julie KING of 5 China Street, Llanidloes. I have known Julie for over 11 years but have been in a close relationship with her for about a month. Her previous partner is Graham McArthur. Graham is not happy with me seeing Julie and has expressed his feelings a number of times to me, most recently during the early part of May 2008 over the phone when he called me 'A SAD LONELY OLD BASTARD'.

I have known Graham as a person for over five years. He is a short, stocky and aggressive type of person who is very self opinionated. He is a lot shorter than me, about 5'6'' in height. I have seen him explode into a temper at the slightest of things and this is quite scary.

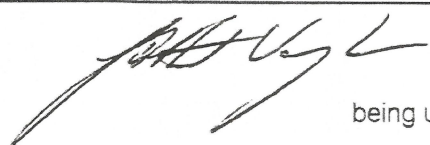

At approximately 1800hrs, Sunday, 25th May 2008, I left my home address in Trefeglwys with Julie and made my way to her address in China street, Llaniloes, to unload some goods at her address. We arrived there a short time later.

At approximately 1815hrs, that day, whilst unloading the goods into Julies address and inside the address, I was aware of Grahams presence in the address. He had obviously walked in through the front door. He then marched up to me in a manic way and I saw he had a pent up aggressive look on his face. He really looked like he wanted to fight with me. He then said to me 'GET OUT. YOU'VE NO RIGHT TO BE HERE. SHIT, YOU'RE A DIRTY BIT OF SHIT'

I noted at this time that his body was arched, in an aggressive pose. It was quite obvious to me at that time that he wanted to cause trouble. During this, Julie was continually asking him Graham to leave the premises as he was not welcome there. He then said words to the effect of 'GO ON THEN HAVE A GO.'

I am a placid, easy going type of person and do not want any trouble in my life, so I tried ignoring him and tried to make my out of the property to cool things down. Each time I tried to get past Graham, he
